

Phinney Ridge

From \$2,599

The Rodriguez Phinney Ridge is the most versatile bike available. Whether it's gravel grinding, road riding, or daily commuting, the Phinney Ridge from Rodriguez is your disc brake warrior. Our exclusive fork design allows for more tire clearance than other brands and still have proper handling. The Phinney Ridge is versatile, affordable, and made in the U.S.A. Rodriguez Phinney Ridge.

- Choose your wheel size (26", 650b or 700c) up to 54mm wide
- Ride anywhere! Great for gravel or road
- 3 bottle mounts
- Hidden fender & rear rack mounts
- Built to ISO standards - Serviceable anywhere
- Hand crafted in Seattle for your unique needs
- No compromise on comfort - It's just your size!

Imagine....All of the above, plus plenty of room for fenders, a stainless steel bottle opener, and even a front rack mount.
